## **Resident of the Month:**

### **Margaret Sibley**

Margaret joined the Wentworth Home in October 2018, and quickly made friends especially at our puzzle table. Margaret married Richard, her husband of 60 years, in 1942 and they raised their four children in Boxford, MA; Richard, John, June and Bill. They also have 5 grandchildren and 4 wonderful great grandchildren! Margaret grew up in Melrose, MA and spent summers in Mattapoisett on Buzzards Bay, enjoying sailing with her father. When she married Richard, she was a homemaker until the children were grown, and then she went to work for 20 years at the IRS as a key punch operator. Margaret loved to swim, tend her gardens, and knit, making elaborate pieces and even made a knitted doll that resembled her husband! Richard and Margaret eventually retired. They moved to Deer Isle, ME., and bought a sailboat, spending their time sailing. They have many memories of being on the water, plus some stories of tough sailing days!

## Looking forward to February...
