### The Ghost of a Flower

"You're what"? asked the common or garden spook  
Of a stranger at  
Midnight's hour.  
And the shade replied, with a graceful glide,  
"Why, I'm the ghost  
Of a flower".  
"The ghost of a flower?" said the old time spook,  
"That's a brand new one on me";  
I'd never supposed a flower had a ghost, though I've seen the shade of a tree"

### New Fall Menu
